Day Nursery & Holiday club

Our day nursery cares for children from 6 weeks to 5 years. We offer a wide selection of session times to suit most working needs. Care is offered by our highly qualified team and children have access to wide selections of learning environments. Each child is planned for individually by their keyperson and parents and carers are invited to add ideas based on home interests.

We offer a baby, toddler and pre-school section each within its own area but the opportunity to meet with other children in our garden. Children are also able to access a selection of extra curricular activities for small additional fees from 2 yrs onwards.

Our holiday club offers care from 2½ yrs to 10 years younger children join in with nursery groups whilst those 5 years and up have their own room.
